## NEW ADA LEVER LOCK & GATE SYSTEM

As leaders in storefront protection, Xpanda is excited to announce our new extra diamond door gates that accept the Adams Rite 4550 MS Dead lock 3" lever handle to secure entrances.

- Opening of lever lock on the gate with one hand, not requiring any grasp, no pinching, or twisting of the wrist.
- The height of the lever lock on the retractable security gate is no higher than 48" from the floor.
- The security gate opening force does not exceed five pounds per force.
- The security gate closure/ opening within the 5 second minimum requirement.

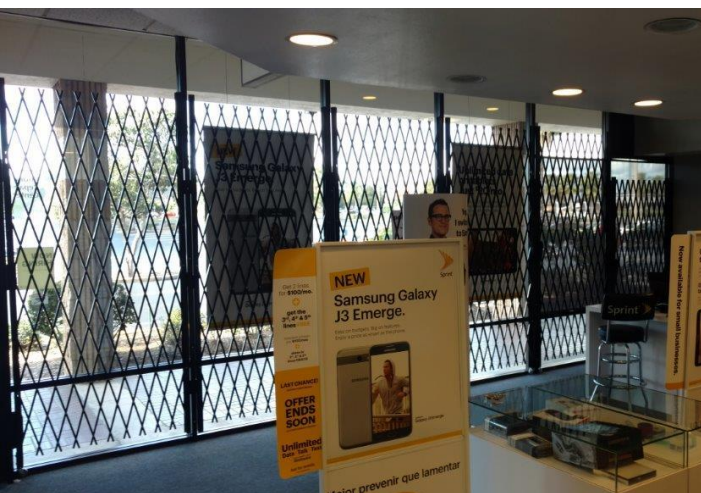

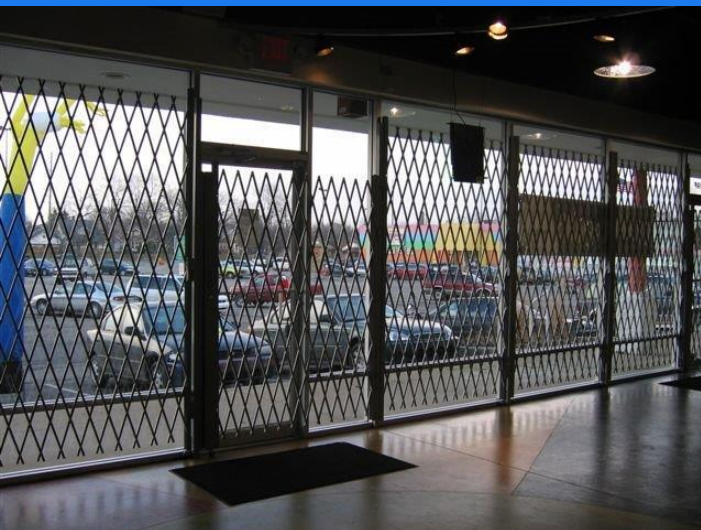

## DETER SMASH AND GRAB CRIMES
